The Way Back: Restoring the Promise of America F. H. Buckley

The promise of America is that, with ambition and hard work, anyone can rise to the top. But now the promise has been broken, and we've become an aristocracy where rich parents raise rich kids and poor parents raise poor kids.

We've been told that the changes are structural, that there's nothing we can do about this. But that doesn't explain why other First World countries are beating us hands down on the issue of mobility.

What's different about America is our politics. An ostensibly progressive New Class of comfortably rich professionals, media leaders, and academics has shaped the contours of American politics and given us a country of fixed economic classes. It is supported by the poorest of Americans, who have little chance to rise, an alliance of both ends against the middle that recalls the Red Tories of parliamentary countries. Because they support an aristocracy, the members of the New Class are Tories, and because of their feigned concern for the poor, they are Red Tories.

The Way Back explains the revolution in American politics, where political insurgents have challenged the complacent establishment of both parties, and shows how we can restore the promise of economic mobility and equality by pursuing socialist ends through capitalist means.

From reader reviews:

Jonathan Head:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each e-book has different aim or goal; it means that book has different type. Some people feel enjoy to spend their time and energy to read a book. They can be reading whatever they have because their hobby will be reading a book. Think about the person who don't like reading a book? Sometime, particular person feel need book once they found difficult problem or exercise. Well, probably you will want this The Way Back: Restoring the Promise of America.

Marlys Wieland:

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you might have done when you have spare time, in that case why you don't try matter that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Way Back: Restoring the Promise of America, you may enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.

Melvin Robinson:

That book can make you to feel relax. This specific book The Way Back: Restoring the Promise of America was colourful and of course has pictures on there. As we know that book The Way Back: Restoring the Promise of America has many kinds or style. Start from kids until young adults. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for you and try to like reading that will.

Shannon Palmer:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Way Back: Restoring the Promise of America can make you truly feel more interested to read.
