World War II Sites in the United States: A Directory and Tour Guide Richard Osborne

This book identifies and locates the hundreds of military facilities that existed in the United States during World War II - Army camps, airfields, naval bases, prisoner of war camps, ordnance plants, ports of embarkation, military hospitals, buildings and homes related to the war effort or any famous individuals of the wartime era, and much more. At many of these sites, memorials have been erected which are not listed in this book because they are so numerous. These memorials can be located by utilizing the companion book - World War II Museums, Memorials, and Historic Displays in the United States.
