Lawren S. Harris (Canadian, 1885-1970) created a distinctive visual language, inspired by the Canadian landscape. He developed an increasingly stylized approach to lakes, trees, skies and mountains. The twelve landscapes reproduced in this calendar include iconic paintings of his beloved Algoma region in northern Ontario and the Arctic. Harris once explained to Emily Carr, I am in great need of losing my littleness and sharing completely in the life of the universe, in water and skies and land and light.
