Human Body Detectives Merrin and Pearl are at it again. ??

The stories of Merrin and Pearl's magical ability to jump into people's bodies and explore their systems (digestive, immune, circulatory, skeletal, nervous) combine science with their fun adventures to help kids understand how their bodies work. At the same time, each book explains the healthy whole foods that fuel each system. ??

Ideal for both the home and the classroom, these beautifully illustrated books include activity pages, a glossary of terms, and information about the best foods kids can eat to keep their bodies healthy. A curriculum for teachers is also available for each book. ??

The Human Body Detectives series explores science with a twist--an accessible lesson about the human body presented in a fun, relatable way that kids will love. Each Human Body Detective book can stand alone or be read as part of the series.

The five stories featured in the Human Body Detectives collection include: The Lucky Escape, Battle with the Bugs, A Heart Pumping Adventure, Osteoblasts to the Rescue. and Brainiacs. Recommended for ages 6 to 10
