In 1968 newlyweds Lucy Moore and her husband moved from Cambridge, Massachusetts, to Chinle, Arizona, where he had taken a job with the recently created Navajo legal services program. They were part of a wave of young 1960s idealists determined to help others less fortunate than themselves.

After fulfilling the two-year commitment with the legal program, Lucy and Bob stayed for another five years. *Into the Canyon* is her account of the places and people they came to love and the lessons they learned from their Navajo neighbors.

"Ms. Moore's recollection of time spent in Navajo County is a beautiful and spirited tribute to Chinle culture. Moreover, we are given a glimpse into what it means to be affected by a place, time, and people. Beautifully constructed."--*Women Writing the West*

"Never a false note. Clearly written, candid, and funny . . . an engaging read."--Peter Iverson, historian and award-winning author of *Diné* and *For Our Navajo People*

"Lucy Moore tells this story with humor, sensitivity, and grace. Her absorbing memoir of seven years living, working, and being herself with Navajo people is a journey of discovery not only of 'the other' but, even more important, a confrontation with her own identity as a white person."--Mark Rudd, last national secretary of SDS, founder of the Weather Underground, teacher, and activist

"A delight to read; an invaluable historical and cultural narrative. . . . A good deal of my first novel, *Ceremony*, was inspired by Chinle, but I didn't fully appreciate just how much was going on during those years until I read Lucy's book."--Leslie Silko, author of *Gardens In the Dunes* and *Ceremony*
