The Rise and Fall of the Yellow House John Whittier Treat

Seattle, 1983. Frightened by the growing epidemic that has stricken his friends, Jeff flees New York for the Pacific Northwest, only to realize AIDS has a foothold in his new home. As he distracts himself with alcohol and one-night stands, Jeff meets Henry, an alluring younger man with a weakness for heroin. Despite the jarring contrasts in their personalities and backgrounds, the two are drawn inexorably together. But as their love develops, so do numerous complications. In an effort to halt their freefall into addiction, Jeff and Henry move in with Nan, a middle-aged divorcee who has turned her home into a sanctuary for gay men in crisis. The Rise and Fall of the Yellow House revisits the early years of AIDS in the Northwest with vivid detail, unrelenting honesty, and a profound compassion for a generation lost to the plague.
