Frances Hutchinson

What Everybody Really Wants to Know About Money Frances Hutchinson

This radical re-evaluation of the economics of guild socialism and social credit exposes the fundamental flaws in global free market capitalism. The author shows why markets fail to achieve equilibrium; why the importance of the land is always under-estimated; why labor has been degraded into wage-slavery; and how economists fail to recognize that money, far from being a simple facilitator of exchange, has become the over-riding driving force in the economy.
