## **Wrong About Japan** Peter Carey

When Peter Carey offered to take his son to Japan, 12-year-old Charley stipulated no temples or museums. He wanted to see *manga*, *anime*, and cool, weird stuff. His father said yes. Out of that bargain comes this enchanting tour of the mansion of Japanese culture, as entered through its garish, brightly lit back door. Guided—and at times judged—by an ineffably strange boy named Takashi, the Careys meet manga artists and anime directors, the meticulous impersonators called “visualists,” and solitary, nerdish *otaku*. Throughout, the Booker Prize-winning novelist makes observations that are intriguing even when—as his hosts keep politely reminding him—they turn out to be wrong. Funny, surprising, distinguished by its wonderfully nuanced portrait of a father and son thousands of miles from home, *Wrong About Japan* is a delight.

#### **Rene Moore:**

In this particular era which is the greater man or woman or who has ability in doing something more are more valuable than other. Do you want to become certainly one of it? It is just simple way to have that. What you need to do is just spending your time almost no but quite enough to get a look at some books. Among the books in the top checklist in your reading list is definitely Wrong About Japan. This book that is qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upwards and review this book you can get many advantages.

#### **Gertrude Ponder:**

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Wrong About Japan can make you experience more interested to read.
