This collection enlisted talent around the world. From students to seasoned professionals, these writers came together to raise awareness and reinvent classic stories. While they showcase a wide variety of origins, styles, and endings, all the tales in this anthology have one classic element in common: a happily ever after. Fifty percent of this collection's proceeds will be donated to the Trevor Project, a non-profit focused on suicide prevention efforts among lesbian, gay, bisexual, transgender, asexual and other queer youth.
