## **Eleven Turtle Tales (American Storytelling)** Pleasant DeSpain

Turtle carries the world on her back. The story has been told by different cultures around the world for centuries. The image is rich with symbolism. Turtle, like Mother Nature, is unhurried, wise, and enduring. She walks on land, swims in water, and breathes the air?she embodies three of the four elements of creation. We have much to learn from Turtle. The eleven stories in this collection come from Africa, India, Japan, Australia, and the Americas. "The Courting of Miss Python" tells of how Turtle outwits the brutal King Python to win his daughter's lovely hand; "The Monkey's Liver" explains why Monkey never rides on Turtle's back and why Jellyfish has no spine; and "The Talkative King" tells of how a chatty ruler learns from Turtle why it is often wiser to listen than to talk.
