Andrew Cohen

Evolutionary Enlightenment: A New Path to Spiritual Awakening Andrew Cohen

In Evolutionary Enlightenment, Andrew Cohen redefines spiritual awakening for our contemporary world—a world characterized by exponential change and an ever-expanding appreciation for the processes of evolution. Cohen's message is simple, yet profound: Life is evolution, and enlightenment is about waking up to this fundamentally creative impulse as your own deepest, most authentic self. Through five tenets for living an enlightened life, Cohen will empower you to wholeheartedly participate in the process of change as your own spiritual practice. Evolutionary Enlightenment not only makes deep sense of life today; it will show you how to play an active role in shaping the world of tomorrow.
