## **Fantasy of Frost (The Tainted Accords) (Volume 1)** Kelly St. Clare

I know many things. What I am capable of, what I will change, what I will become. But there is one thing I will never know... The veil I've worn from birth carries with it a terrible loneliness; a suppression I cannot imagine ever being free of. My mother will always hate me. Her court will always shun me. When the peace delegation arrives from the savage world of Glacium, my life is shoved wildly out of control by the handsome Prince Kedrick who, for unfathomable reasons, shows me kindness. Sometimes it takes the world bringing you to your knees to find that spark you thought forever lost. Sometimes it takes death to show you how to live. Join Olina in this coming-of-age fantasy. **Warning: Cliff-hanger ending!** Suitable for mature young adult readers due to swearing. "I felt love, excitement, respect and a ton of heartbreak..." - Amanda Nicole Books "Kelly St. Clare has quickly become one of my favorite authors and I am now a fan for life." - AmiesBookReviews. "This story is wonderful for teenage girls, young women and the all around book lover." - GenuineJenn
