## **Hyles Church Manual** Jack Hyles

Congratulations! You've been called by God to be a preacher, and He's given you a church. Prayer and Bible study will give you the message God wants you to give to your people, but what about your other responsibilities? How do you find the most workable, most efficient, most beneficial method to conduct the business of the church? "The Hyles Church Manual" is the answer to your cry for "Help!" Dr. Jack Hyles' many years in the pastorate qualify him as an expert on how to help your church reach its full potential and achieve the most efficient and beneficial results. This book covers the entire church program--from choosing deacons, building a Sunday school, keeping accurate records, running a bus ministry, to conducting weddings, funerals, business meetings and much more. The chapter (and subsequent example) on why some gospel messages are ineffectual because of weak invitations is worth the price of this book! Every preacher should have a copy of "The Hyles Church Manual" in his library. It will gather little dust because it will be in your hand more often than it will be on the shelf.
