Undertaking a personal project—whether for a magazine, a book, a website, a commission, or an exhibition—offers photographers an opportunity to broaden their horizons and develop their art. This outstanding guide takes photographers through all the thought processes and planning necessary to successfully publish their work, and offers a wealth of expert advice from both the author and the 30 other featured photographers. Highly illustrated with color and monochrome images from project-based practice, the book showcases a mix of commercial, fine-art, documentary, and commissioned photographs. Chris Dickie has been a photographer and leading photographic editor for more than 30 years.
