## **Polar Opposites: [Super Villain Academy Book 2] (Volume 2)** Kai Strand

The supers are balanced. Academies have altered their curriculum to teach both sides of the super power spectrum. All's well in the super world. Right? When Mystic kidnaps Oceanus, Jeff learns it isn't all right. Turning to the newly balanced supers for assistance, he panics to find they've done nothing to rescue Oceanus. When no ransom request follows, he worries Mystic's plan never included returning his girlfriend. Frustrated, he's forced to work with the only super willing to help. Oceanus' ex-villain, ex-boyfriend, Set. Mystic isn't the only one hiding something. Nothing about Jeff is balanced. Temper flares result in scorched clothing or flying furniture, and his charm has become an indiscriminating people-magnet. Jeff is convinced, or maybe just hopeful, that his lack of control is directly related to Oceanus being gone. But will he and Set find her before Jeff loses control completely and will they find her alive?
