World Building Guide & Workbook TG Franklin

For writers, screenwriters, and gamers. World Building involves more than elaborate settings, more than magic and magical beings, and more than paranormal happenings. Speculative fiction is a fast growing market, and world building is an essential tool for creating successful stories where the reader can suspend disbelief. This World Building Guide & Workbook gives writers the proper tools to craft a well written manuscript, rich with details, by guiding them through steps for choosing the right world elements to include in their story. Use a simple blueprint method to lay the foundation, and then complete the story. Beginning writers in the genre can learn to identify potential pitfalls. More complex concepts are included for intermediate to advance level authors. Get started world building today!
