- **Clinically focused chapters** with case studies and medical reports provide you with the opportunity to apply your vocabulary knowledge.
- **Fill-in-the-blanks, Matching, Define the Word exercises, and more in every chapter** offer vocabulary-building skills practice.
- **Quick Tips, Watch Out! and Interesting Word Origins boxes** highlight key concepts and make learning vocabulary fun.
- **Objectives, key terms, outlines, chapter introductions, and key points** help you prioritize information to ensure you understand what is most important in every chapter.
