Death to the Infidels: Radical Islam's War Against the Jews Mitchell G. Bard

For more than a century, much of the attention given to the Middle East has focused on the Arab-Israeli conflict. The rise of a Palestinian offshoot of Egypt's Muslim Brotherhood, the Islamic Resistance Movement, or Hamas, transformed the nature of the conflict between Israel and the Palestinians. According to Bard, the dispute, in the view of Hamas, is not over a division of Palestine, but rather about Jews ruling over Muslims and the presence of Jews on Islamic land. However, this Islamic-Jewish conflict is not simply confined to the Middle East. Muslim terrorist attacks have been directed at Jews all around the world, from Europe to Asia to Latin America. Radical Muslims in European countries are becoming more brazen, particularly in France, where the Muslims constitute nearly ten percent of the population. In just the last year, there have been several Muslim attacks on Jews throughout France. *Death to the Infidels* documents the growth of radical Islam in the Middle East and how, from the author's interpretation, it has transformed what had primarily been a political conflict into a one-sided religious war limiting the prospect for peace, particularly in Israel.
