This flash card book plus interactive CD-ROM is ideal for students and practicing dental assistants and hygienists, or anyone wanting a quick way to learn or review dental instruments. Concise units organized by function and procedure cover instruments used in all areas of dentistry, and make it easy for readers to quickly learn instrument names, functions, and tray set-ups.

A bonus CD-ROM includes 200 images, interactive puzzles and tray set-up exercises, review questions, a final exam, and a printable "report" function to review progress. The hands-on flash card book *plus* the interactive CD-ROM facilitates multiple learning styles and can be used in classroom settings or for independent study.
