Donald Hamilton Fraser: A Retrospective: Metamorphosis not Metaphor Clare Clinton

This book is the first to look at the range of Donald Hamilton Fraser's work as an artist, both in painting and in printmaking. It examines his early abstract works, the landscapes for which he is best known, as well as his depictions of figures (dancers and skiers), and includes a new interview with the artist illuminating the progression of his career, the influences on his art, and his methods of working.
