Ali Wentworth

Happily Ali After: And Other Fairly True Tales Ali Wentworth

[*Read by the author - Ali Wentworth]

The actress, comedian, media darling, and *New York Times* bestselling author picks up where she left off in *Ali in Wonderland*, dissecting modern life -- and this time, on a mission of self-improvement -- in a series of laugh-out-loud comic vignettes.

Moved by a particularly inspirational tweet one day, Ali Wentworth resolves to live by the pithy maxims she discovers in her feeds. What begins as a sort of self-help project quickly turns into something far grander -- and increasingly funnier -- as the tweets she once viewed with irony become filled with increasing metaphysical importance. And thus begins her "Unhappiness Project."

It's not long before Ali expands her self-improvement quest to include parenting, relationship, fitness (or lack thereof), and dieting advice. The results are painfully (and at times literally) clear: when it comes to self-help, sometimes you should leave it to the professionals.

At once endearing and hilarious, thoughtful and absurd, *Happily Ali After* is a thoroughly entertaining collection.
