Room Four A J Knauss

It's just after Christmas and Alan Fries, hapless accountant, wonders why nurses with antler hats are hovering over him. He endures a three day coma stuck with only Jerry for company, an 87 year old crank who died in the same room earlier but is waiting for someone to sign the death certificate. Jerry and Alan becomes dead flies on the wall of an aging Chicago hospital and observe the staff...the doctor who leaves his sperm sample in the work fridge, the veteran nurse putting the kibosh on an intern's crush, the holiday hamfork injuries and the various nutcases who file through the ER doors. When they uncover a billing scandal and the truth about the corrupt CEO who is bankrupting the hospital they get to work. But can they put the proof in front of the eyes of the living in time? Can they save the hospital before driving each other crazy? Will Alan get resuscitated and start the bucket list he never had? A grouchy, laugh-out-loud, heartwarming tale of how tough love shines through the crustiest exterior.
