## **The Babies** Susan Sontag

As perversions go, infantilism is little known, and even less understood. Imagine fully grown men wanting to revive their earliest days--dressed in diapers, dipped in baths, and "fed" from breasts--as a means to sexual stimulation or familial comfort. Now imagine trying to document this--yes, the thought that just popped into your head is right--and you have an idea of the Herculean effort Borland went through to grapple with and understand people with this type of fetish. Portrait-photographer-by-trade Polly Borland compassionately explores this surreal world, artfully framing the inner lives of adult babies alongside their outer manifestations. Many of these men, who function in society as truck drivers, accountants, and teachers, suffered as children and were left obsessed with the warmth and care experienced by other infants and toddlers. So they dress up in adult-sized baby clothes, powder their own bottoms, and...do what babies do, all in an attempt to recreate that lost attachment. And sometimes to get aroused. Accompanying these Arbus-like photographs are interviews with the babies themselves. The book, expertly sequenced by famed editor Mark Holborn, begins like the sweetest of lullabies, seducing us into a sense of lovely baby life... until about page 12.

### From reader reviews:

#### **Lisa Jennings:**

Book is to be different for each grade. Book for children until eventually adult are different content. As it is known to us that book is very important for all of us. The book The Babies ended up being making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The publication The Babies is not only giving you far more new information but also to be your friend when you truly feel bored. You can spend your personal spend time to read your reserve. Try to make relationship using the book The Babies. You never really feel lose out for everything in case you read some books.

#### **Bryant Kelly:**

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Babies, it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't buy it, oh come on its called reading friends.

#### **Helen Samuel:**

The Babies can be one of your starter books that are good idea. We recommend that straight away because this reserve has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nonetheless delivering the information. The author giving his/her effort to put every word into pleasure arrangement in writing The Babies but doesn't forget the main level, giving the reader the hottest in addition to based confirm resource info that maybe you can be one among it. This great information can drawn you into completely new stage of crucial pondering.

#### **John Silver:**

Many people spending their time by playing outside together with friends, fun activity along with family or just watching TV the whole day. You can have new activity to enjoy your whole day by examining a book. Ugh, think reading a book can really hard because you have to use the book everywhere? It fine you can have the e-book, having everywhere you want in your Mobile phone. Like The Babies which is finding the e-book version. So , try out this book? Let's see.
