The Brutal Truth Jonathan Harnisch

A collection of personal essays exploring the author's experiences battling schizophrenia and other mental illnesses. Prolific writer and filmmaker Harnisch (Porcelain Utopia, 2016, etc.) explores his personal struggle with mental disorders in this short collection of autobiographical pieces that he originally wrote for his "online community dedicated to mental health." Throughout his adult life, he writes, he's received myriad diagnoses from doctors, including PTSD, depression, and schizoaffective disorder. His book elucidates the day-to-day activities of a person who suffers from such conditions, and the author mentions frequent communication with therapists, a demanding cigarette addiction, and many sleepless nights. At times, the prose is hard to parse and the content can feel repetitive. However, the author shares some incredible insights into what it's like to suffer from the rarely understood symptoms of schizophrenia. In one essay, for example, he describes his experience of paranoia: "We have become the target of a vast conspiracy stretching on invisible webs....It lives in the telephone wires, the cell towers, the papers, and even online....It nests in the hearts and minds of my family, friends, and loved ones." He also sheds light on what it's like to suffer from delusions: "Symbols, mythology, and connections, even coincidences, take on a very deep and personal meaning, a very deep and personal context." Ultimately, although this work is challenging and heavy, it's also uplifting, as the author never loses hope for recovery; instead, he remains tirelessly optimistic: "I keep moving ahead, as always, knowing deep down inside that I am a good person and that I am worthy of a good life." A courageous, if difficult, self-portrait of one man's suffering, as well as his hope for recovery.

From reader reviews:

Gary Lopez:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each guide has different aim or goal; it means that book has different type. Some people experience enjoy to spend their a chance to read a book. They are reading whatever they acquire because their hobby will be reading a book. Think about the person who don't like reading through a book? Sometime, person feel need book when they found difficult problem or maybe exercise. Well, probably you should have this The Brutal Truth.

Lloyd Lake:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do that will. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on pre-school until university need this The Brutal Truth to read.

Robert Williams:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider if those information which is in the former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take The Brutal Truth as the daily resource information.

Virginia Comer:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Brutal Truth can make you feel more interested to read.
