Alexander the Great: Son of the Gods

Alan Fildes, Joann Fletcher

Alexander the Great: Son of the Gods Alan Fildes, Joann Fletcher

Famous for more than two millennia for the amazing deeds that he accomplished in his short life of thirty-two years, King Alexander III of Macedon is the most celebrated figure of classical antiquity. *Alexander the Great: Son of the Gods* presents, in a year-by-year chronicle, an intimate and fascinating portrait of the man who, in less than two decades, created the greatest empire the world had ever seen and acquired a semi-mythic status that persists today.

Among the topics covered are Alexander's family life, including his stormy relationship with his father, King Philip, and the influence of his mother, Queen Olympias; his brilliant leadership, outwitting opponents and inspiring his devoted troops; and his daily life on the march and off duty, whether sharing the hardships of his men or indulging in the renowned bouts of feasting that may have contributed to his early death. Generously illustrated with ancient art from museums around the world, this is an engrossing, accessible biography of a legendary man.
