Bluebird CN7: The Inside Story of Donald Campbell's Last Land Speed Record Car Donald Stevens

This book records the development, construction and operation of the last wheel-driven land speed record breaking car that the UK produced, and shows how the tragic demise of Donald Campbell prevented it from reaching its full potential. It is also the personal story of one of the design team, how he became involved, and his incredible experiences in doing so. With many previously unpublished photographs, drawings, and illustrations, this is a unique account of a legendary feat of engineering.
