She realizes that her life is her own?if only she can find the courage to fight for it.

## **An Amelia Bloomer List Top Ten Book**

"Jennifer Mathieu put her name on the YA map with last year's heart-wrenching high school bullying novel *The Truth About Alice*. . . her sophomore novel is tackling subjects just as difficult: religion and cult, particularly as they relate to young women. Rachel grew up in the Quiverfull movement?one similar to the Duggars' practices on TLC's *19 Kids and Counting*?but as she finds herself connecting illicitly to the outside world, she starts to wonder if there's more for her as a woman outside of bearing children." ?*Bustle*
