Fun With Fractals Judd Robbins

This book explains how to use the programmes to create different fractal graphics. It also allows sophisticated users to explore their own paths to completely new fractal art. The book with companion diskette presents a collection of shareware programs for displaying and printing colourful fractal graphics. An introductory chapter explains what fractals are and how they can be created using the accompanying software. Subsequent chapters explain the programs, which include games, fractal icons, Windows wallpaper files and more.
