Lucasfilm's Alien Chronicles: The Golden One Deborah Chester

Here is an epic set in a far distant universe--a tale of faraway planets and of races strange and more fantastic than any ever seen on our world. Yet their struggles are universal: for justice, for freedom, for peace. This is a sweeping adventure that will transport you to another time, and another place where a legend is about to be born. Fully dramatized with sound effects and original music, this is the first in a three-part epic from the creators of "Star Wars" . 2 cassettes. .
