Boy genius Hubert Horatio Bartle Bobton-Trent-H for short- is the answer to his rich parents' prayers. He is their dear companion, their fiercest board game adversary, and their frequent guest at parties. But this prodigy's parents don't share his knack at accounting-and they can't imagine ever running out of money. Will Hubert be able to save the Bobton-Trent's fabulous estate - or might they be just as happy without it, after all? With exuberant collage illustrations and a hilarious text, award-winning author and illustrator Lauren Child has created an irreverent story about the true value of money and the dividends of happiness.
