The million-copy bestseller is finally in paperback!

In this groundbreaking book, Suze Orman, the nation's go-to expert on all things financial, investigates the complicated, dysfunctional relationship women have with money.

With her signature mix of insight, compassion, and soul-deep recognition, Suze Orman equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and of themselves. At the heart of the book is The Save Yourself Plan: a streamlined five-month program that delivers genuine long-term financial security. But what's at stake is far bigger even than money—it's about every woman's sense of who she is, what she deserves, and why it all begins with the decision to save yourself.

- a challenge to value yourself fully in all aspects of your life
