#### **Therese Webb:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Epilepsy in the Classroom can make you experience more interested to read.
