With the globalization of business, American snack maker Boltz Foods is expanding into world markets and a naïve American businessman who's never traveled abroad is selected to lead the way. Pursued by a Japanese competitor bent on sabotage, this comic adventure weaves in and out of different time- zones through a Japanese resort, Russian sauna, French restaurant, German barbershop, Westminster Abbey, Spanish bullring and the Tower of Babel. Going Global is a slapstick portrait of a clueless American caught up in a whirlwind of wacky multi-cultural gaffes, who at the end, finds there's no place like home.
