My Song for You: A Pushing Limits Novel Stina Lindenblatt

In a poignant romance from the author of *This One Moment* (“Hot, intense, and filled with emotion.”—Rachel Harris), the rock stars of *Pushing Limits* have hit the big time. But fame gets tough when love presents a fork in the road.

At twenty-one, Jared Leigh had been prepared to give up the life of a touring musician to be a father after getting his girlfriend pregnant. When she told him that she'd gotten an abortion, Jared was devastated. Now at least he has the groupies to keep him company—until a blast from the past rocks his world.

Callie Talbert hasn't seen her sister's ex since high school. But after Callie bumps into Jared while she's grocery shopping with four-year-old Logan, there's a spark that wasn't there before. Jared quickly realizes that her deaf “son” is the same age his own child would have been. When Jared demands to know more about Logan, Callie panics. There are things she just can't tell him. Besides, Jared's a bad-boy rocker, not a dependable father figure. He'll move on to his next gig soon enough . . . right?

Trouble is, Jared refuses to be pushed away, and the more quality time he spends with Logan, the more he's captivated by the woman Callie has become. When the truth is revealed, Jared only hopes that the three of them have what it takes to become a real family.
