Luke Davis is about to set out on the adventure of a lifetime, cruising the Hawaiian Islands and the South Pacific on his first sailboat, which he'd just restored. Just before he is about to depart, he is approached by the granddaughter of one of the richest men in all of Asia to charter his yacht. He didn't really need the money and certainly not the intrusion of her security team but, overcome by her beauty and intrigued with her sailing experience, he is about to embark on a voyage that a young man from rural Missouri could never have dreamed.
