If You Were Me and Lived in...Portugal: A Child's Introduction to Culture Around the World Carole P. Roman

Award winning and best selling author Carole P. Roman travels to beautiful Portugal. This pro active book invites children to think about Portugal's many wonders from the sunny Azores to the wide variety of food. Roman's If You Were Me books have a simple, winning formula: portray children from other countries and explain how familiar items and customs are the same, and how they differ, in the country being discussed... The appeal of Roman's If You Were Me series is that this information is not offered in the bland style of an encyclopedia entry, but rather as part of a tour of real life in India...It's this organic conversational tone that keeps the book interesting and inspires kids' own curiosity for other cultures." Peter Dabbene The Foreword Review Join Carole P. Roman as she takes you to explore the friendly country of Portugal!
