This romance is NOT for the faint of heart— It is NOT a cloud-pink, honey-sweet love story; that is a different romance—try "My Secret". This romance speaks of soul searing passions that ignite and consume all lucidity— It tells of a woman who discovers a new freedom and the fun that she has living it. —passion, intrigue, and adventure subdue Amber as she travels through the newest, and the most unexpected events of her life. Journey with her and revisit, or discover your innermost desires; whether you are like Amber—an independent woman, self-contained and innately powerful, who has everything she desires in life, including her much loved freedom(s), or you are on the path of redefining you.
