By leading with practical data analysis and graphics, *Stats: Modeling the World* gets students “doing statistics” and “thinking statistically” from the start. Students understand what we find in data, why we find it interesting, and how we report it to others as a sound foundation for the challenges of inference. Instructors praise *Stats Modeling the World* as clear and accessible to students, and students report that they enjoy reading the text while learning how to do Statistics with the *Think, Show, and Tell* rubric and *What Can Go Wrong?* sections.
