## The Best Science Fiction and Fantasy of the Year, Vol. 3

The depth and breadth of what science fiction and fantasy fiction is changes with every passing year. The two dozen stories chosen for this book by award-winning anthologist Jonathan Strahan carefully maps this evolution, giving readers a captivating and always-entertaining look at the very best the genre has to offer. Jonathan Strahan has edited more than twenty anthologies and collections, including *The Locus Awards*, *The New Space Opera*, *The Jack Vance Treasury*, and a number of year's best annuals. He has won the Ditmar, William J. Atheling Jr., and Peter McNamara Awards for his work as an anthologist, and is the reviews editor for *Locus*.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
