Scores of people attribute their faith to a "praying grandmother." That's why Lisa Welchel teamed up with her mother, the grandmother of her children, to create this guided prayer journal for the busy grandma. In just ten minutes a day, even the busiest grandma can pray through six prayer categories, and in one month bring nearly one hundred and fifty matters before her heavenly Father. This you-can-do-it guide offers prompts that can be used for each grandma's special needs. Everyone knows what a difference grandmothers make in their families; through prayer, those differences will last for eternity.
