The Making of the European Age (The Illustrated History of the World, Volume 6) J. M. Roberts
The Illustrated History of the World is a lavishly illustrated edition of J. M. Roberts's bestselling *History of the World*. Now completely revised and updated, each volume of this comprehensive reference work traces the tumultuous story of humankind from prehistory to the end of the 20th century. The rise and fall of civilizations; the impact of powerful individuals on world events; the interplay of state and religion; the social and economic factors that influence societies--these are some of the themes of this masterful, sweeping narrative. Over 2,000 photographs in color and black-and-white present a unique visual panoply of the march of history. In addition, more than 200 maps and artworks in full color underscore important events. Fully integrated sidebars and feature boxes narrow in on key themes, providing an additional layer of interest. Each volume also contains a double-page, illustrated chronology of major events, plus a bibliography and detailed index. Authoritative, brilliantly written, and superbly illustrated, this outstanding and popular work of scholarship makes the whole sweep of history vivid and accessible as never before.
