The Telling Mike Duran

A prophet never loses his calling, only his way.

Disfigured with a hideous scar from his stepmother, Zeph Walker lives his life in seclusion, cloistering himself in a ramshackle bookstore on the outskirts of town. But Zeph is also blessed with a gift, an uncanny ability to foresee the future, to know peoples' deepest sins and secrets. He calls it *the Telling*, but he has abandoned this gift to a life of solitude, unbelief, and despair until two detectives escort him to the county morgue where he finds his own body lying on the gurney.

On the northern fringes of Death Valley, the city of *Endurance* is home to llama ranches, abandoned mines, roadside attractions...and the mythical ninth gate of hell. Now, forced to investigate his own murder, Zeph discovers something even more insidious behind the urban legends and small-town eccentricities. Early miners unearthed a *megalith*, a sacred site where spiritual and physical forces converge and where an ancient subterranean presence broods. And only Zeph can stop it.

But the scar on Zeph's face is nothing compared to the wound on his soul. For not only has he abandoned his gift and renounced heaven, but it was his own silence that spawned the evil. Can he overcome his own despair in time to seal the ninth gate of hell?

*His words unlocked something deadly,
And now the silence is killing them.*

From reader reviews:

Lisa Vazquez:

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe will certainly update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know which one you should start with. This The Telling is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Margaret Velasquez:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or even their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write on their book. One of them is this The Telling.

Carolyn Rodriguez:

The publication with title The Telling contains a lot of information that you can find out it. You can get a lot of help after read this book. This book exist new know-how the information that exist in this reserve represented the condition of the world currently. That is important to yo7u to understand how the improvement of the world. This book will bring you throughout new era of the glowbal growth. You can read the e-book in your smart phone, so you can read the item anywhere you want.

Judy Yelle:

What is your hobby? Have you heard that will question when you got college students? We believe that that concern was given by teacher to the students. Many kinds of hobby, Every person has different hobby. So you know that little person just like reading or as reading through become their hobby. You should know that reading is very important along with book as to be the issue. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You discover good news or update about something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims The Telling.
