Breaking Free From Demonic Forces: It's Not Over Until God Says It Is Julia Shalom Jordan

I hate to admit this, but it's the truth: The last thing in the world I wanted to be was a Christian. The ones I knew left an indelible imprint on my heart, spurning my life's focus in the complete opposite direction. Ironically, I found God in the process of running from Him...

I'm not a pastor, spiritual healer or some kind of saint. In fact, most people see me as just the opposite. I'm a former Playboy model and exotic dancer. To this day, in my suburban hometown, I don an invisible scarlet letter on my chest. Writing a book about spiritual warfare is about the last thing anyone (including myself) expected I would do with my life.

I was tormented by demonic oppression/possession for fifteen years. Today I can say that I finally found freedom from the nightmare called my life.

To be brutally honest, I never wanted to share my story. It's unflattering to say the least! But as my heart considered other tortured souls who may be going through a similar experience, I definitely didn't feel right about *not sharing* it, either.

This book isn't just my story. It's a tool to help others find the freedom God wants everyone to have.
