0. This book is a wonderfully created resource that engages children with illustration and humor in order to explain a difficult topic that so many children are faced with. The author tackles difficult feelings and answers questions that would surely arise in a young person's mind who loves someone who is addicted: Is this my fault? Why does \_\_\_\_\_ act like this? Does \_\_\_\_\_ love me? The story encourages children to open up and discuss feelings, as the main character finds this is the only way to stop from being 'madsad'. Very creative and inspirational material, ideal for those working closely with children in this situation.

Inspires hope and promotes confidence
