**Elon Musk** is a man unlike any other. His world-changing ideas are altering the course of human industry, making him famous as an investor, inventor, entrepreneur and engineer. Although he has changed the world in many ways, he is probably best known for his position at the head of Tesla Motors, SolarCity, SpaceX, and his quests to change the world's future. Musk is a visionary, who has revolutionized several industries in a short period of time.

Many believe that he is an engineer above all other engineers, with a mind more brilliant than any other industrial mind in this century. You may never have heard of Musk, but even if not, he has likely developed inventions and innovations that have affected your life, or the lives of those you know.

This book examines some of Elon Musk's famous quotes and analyzes the meaning and significance of each quote. Along with each quote is the real life story of how Elon Musk himself implements those same principles effectively in his life and business.
