## **Food from Farmers Set** Ruth Owen

For children living in cities or suburbs, its easy to forget that the milk in their glass and the peas on their plate have an exciting story behind them. This educational series introduces readers to the various types of farms through the eyes of a child living on them. Each volume explores a different kind of farm and explains how vegetables, dairy products, and fruits get from the farm to the grocery store. The books each feature the personal story of a child who lives on the farm as well as extensive information about each type of agricultural production. Readers will come away with a better of understanding of what farm life is like and where the food on their table comes from.
