The saying goes, you can't help someone that doesn't want to be helped, and Heaven is finding it to be true the hard way. Heaven has been married to the love of her life for exactly three years. She loves her man with every fiber in her body; however, when their marriage makes a turn for the worse, will her love be enough to keep them together? And when a mystery man comes into Heaven's life, will it be for the better or will it cause more confusion than before? After Heaven's husband, Mike, encounters some unfortunate events, he develops a habit to take away the pain, and it's so strong that he constantly chases that feeling. A nasty drug habit has become his new wife, which causes a strain in his marriage to Heaven. Will Mike beat his addiction before it ruins everything in the process? Or will Mike drag Heaven down with him, causing her to lose everything she's worked so hard for?
