## **Home Economics: Household and Personal Management Skills** Amy Maryon

Home Economics Household and Personal Management Skills is an easy and precise way to help train up your daughters in the art of homemaking. It is presented in weekly format and gives you all of the information and tools necessary to teach for one semester of school. It begins with the basics and builds upon each skill with new levels of learning. It is meant to equip your daughters to give them purpose and know-how in the home. It will teach them everything from how to properly make a bed, to basic skin care, how to write a cover letter, how to set personal goals, and how to create a surprise box to entertain young children. Our goal is to confidently train your daughter so that they can be effective in life.
