Inside the Clinton White House: An Oral History (Oxford Oral History Series)

Russell L. Riley

Inside the Clinton White House: An Oral History (Oxford Oral History Series) Russell L. Riley

President Bill Clinton led one of the most influential and consequential White House tenures in recent memory. However, because of the office's traditional climate of confidentiality, many details of his behind-the-scenes activities have remained absent from the written record. How did the administration manage the horrific conflicts in Haiti, Somalia, and the Balkans that came to a head shortly after the President took the oath? What motivated the President to place First Lady Hillary Clinton at the helm of the ill-fated Health Security Act of 1993? And how did the President's closest confidantes and aides respond to the outbreak of the devastating scandal that nearly ended his presidency?

Inside the Clinton White House offers an intimate perspective on these questions and many more, granting readers unprecedented access to the sensitive Oval Office banter that changed the course of history. Bringing together material from 400 hours of candid conversations with over sixty individuals, respected oral historian Russell L. Riley weaves this illuminating testimony with important contextual information to form an irresistible narrative, taking the reader from Clinton's first potential White House bid in 1988 to the final days of his remarkable and controversial career. Extended sections of the book are devoted to important domestic and foreign policy campaigns, the complicated politics of the President's two terms and impeachment, and portraits of important personalities in the administration, including Vice President Al Gore and First Lady Hillary Rodham Clinton. These forthright and often surprising accounts add a layer of nuance to an iconic figure in America's recent history, as told in the words of the people who knew him best.

Jesus Thresher:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider while those information which is within the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Inside the Clinton White House: An Oral History (Oxford Oral History Series) as the daily resource information.

William Copeland:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise

word says, many ways to reach Chinese's country. Therefore this Inside the Clinton White House: An Oral History (Oxford Oral History Series) can make you experience more interested to read.
