Most knitters dream of making their own creative knitwear designs. This notebook turns dreams into reality. Each of the approximately 30 blank journal entries includes space for inspirational materials, information on yarn, tools, and gauge, project instructions, and a photo of the finished project. Also included are two types of graph paper--one for sketching a silhouette/schematic, the other for creating stitch charts--a sample garment pattern, outlines of basic shapes, and information on measurements and yarn. There's even a ruler printed on the inside back cover!
